Meet your healthcare needs. This means our medical practice successfully meets new national standards to provide you with responsive and higher quality health care. As part of this commitment, we have a dedicated care management team at our practice. They will help make sure you get the care you need, at the right time and place. As part of a PCMH, you will receive more coordinated, comprehensive, personalized health care that supports you and strengthens your relationship with your doctor. Good medical care means more than merely treating episodes of illness. Periodic health survey for the protection and early detection of illness is equally important. This consists of a review of one's routine tests and consultations with a physician. All patients should be seen annually for preventive care.

Family Medicine Center has been recognized by the National Committee for Quality Assurance as a Level 3 practice on achievement of recognition for systematic use of patient-centered, coordinated care management processes. Family Medicine Center is a nationally recognized healthcare facility. Contact us today to schedule your new patient exam, and allow us to assist you in all of your healthcare needs.

7. Click on agree

The screenshot shows a consent form titled "CONSENT FORM" with a blue header bar containing a circular icon of a person with arrows. Below the title, it says "Please acknowledge reading and accepting conditions in consent form." There are two tabs: "eClinicalworks Consent Form" and "Practice Consent Form". The main text of the form reads: "Patient Acknowledgement and Agreement. I acknowledge that I have read and fully understand this consent form. I understand the risks associated with online communications between my physician and me, and consent to the conditions outlined herein. In addition, I agree to follow the instructions set forth herein, as well as any other instructions that my physician may impose to communicate with patients via online communications. I have had a chance to ask any questions that I had and to receive answers. I have been proactive about asking questions related to this consent agreement. All of my questions have been answered and I understand and concur with the information provided in the answers." Below the text is a checked checkbox: "I have read the consent form and the above information." At the bottom right are "Agree" and "Cancel" buttons. The footer contains the copyright notice: "Copyright ©2018 eClinicalWorks. All rights reserved. version Portal8.2.7".

8. Congratulations you are now in your portal.

The screenshot shows the patient portal dashboard. At the top left is the "health portal" logo. The top right navigation bar includes "Home", "Cambie a Español", "Practice Details", and "Sign Out". The main content area has a header "Hi Test," with a notification icon. Below this is a welcome message: "Welcome to Family Medicine Center's patient portal. Please note that this service is for NON-URGENT communication only! If you have an emergency needing medical care, PLEASE DIAL 911! We have implemented electronic medical records into our practice and now have the capability to send messages via email. Thank you for patience as we transform our practice into a Patient Centered Medical Home. Please feel free to contact our office with any questions! 609-597-7394/609-296-1101". The main content area features a "MEDICAL RECORDS" section with a "View All" link and a "Request PHR" link. Below this is a "View Medical Records" button. The left sidebar contains navigation options: Dashboard, My Account, Messages, Medical Records, Appointments, Questionnaires, Trackers, and Education.
