

**FAMILY MEDICINE CENTER**

December 21, 2018

Dear Patient,

The New Year represents an opportunity for renewal. In this spirit, we are pleased to share two exciting developments that will allow us to continue providing the care you and your family have come to expect.

Beginning January 28, 2019, our Little Egg Harbor office will move to 200 Mathistown Road in the Great Bay Plaza. All appointments scheduled in Little Egg Harbor on or after that date will take place at this new location. Patient parking is available in front of and along the sides of the building.

In conjunction with this move, Family Medicine Center is joining AtlantiCare Physician Group. Rest assured the same providers and staff you have come to know and trust will continue to care for you. What this transition means is that you will gain access to AtlantiCare's extensive list of specialists and resources so you can receive the healthcare you need when you need it.

As we become members of AtlantiCare Physician Group, we look forward to caring for you in our new Little Egg Harbor office as well as at our Manahawkin location:
