

Dear Valued Patient,

We have important information to share with you. For your safety as well as ours we are abiding by AtlantiCare and CDC mandated Guidelines. As always, we thank you for trusting us for your health care needs.

Patients seen by appointment only No Walk-Ins

We are recommending all patients call before entering our office if you do not have a scheduled appointment. Feel free to call us from your car at (609) 296-1101 for our Mathistown office and 609-597-7394 for our Manahawkin office before entering the building. We are required to keep patient volume in accordance to mandated social distancing guidelines in our waiting room.

Screening Temperature

A mandatory temperature screening as well as a Covid-19 triage screen will need to be completed for every patient entering the building.

Visitor Restriction

Visitor Restrictions are still in effect. Please do not bring additional family members to appointments unless assistance is needed.

Urgent Care Center

Our practices are NOT Urgent Care Centers or walk-in facility. Our Doctors and Nurse Practitioner see patients by appointments only. See below for AtlantiCare local Urgent Care Centers.
